3. A delay by the Vendor in the performance of its delivery obligations shall render the vendor liable to the imposition of appropriate liquidated damages, unless an extension of time is agreed upon by RGUKT without liquidated damages.

I.26 Liquidated damages

If the Vendor fails to deliver any or all of the goods or perform the services within the time periods (s) specified in the Contract, the RGUKT shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to, as per the terms indicated in the bid document, until actual delivery or performance, subject to maximum limit. Once the maximum is reached, the RGUKT may consider termination of the contract.

I.27 Termination for default

1. The RGUKT, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Vendor, may terminate the Contract in whole or in part: a. If the Vendor fails to deliver any or all of the Goods/Services within the time period(s) specified in the contract, or within any extension thereof granted by the RGUKT pursuant to Clause 25 of GCC.
 - a. If the Vendor fails to perform any other obligation(s) under the Contract or
 - b. If the Vendor, in the judgment of the RGUKT has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.
2. In the event the RGUKT terminated the contract in whole or in part, RGUKT may procure, upon such terms and in such manner as it deems appropriate, goods or services similar to those undelivered, and the Vendor shall be liable to the RGUKT for any excess performance of the contract to the extent not terminated.

I.28 Force majeure

1. The Vendor shall not be liable for the forfeiture of its performance security, liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event for Force Majeure.
2. For purpose of this clause, "Force Majeure" means an event beyond the control of the Vendor and not involving the Supplier's fault or negligence and not foreseeable. Such events may include but are not restricted to, acts of the RGUKT in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
3. If a Force Majeure situation arises, the Vendor shall promptly notify the RGUKT in writing of such condition and the cause thereof. Unless otherwise directed by the RGUKT in writing, the Vendor shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

I.29. Termination for insolvency

RGUKT, may at any time terminate the contract by giving 30 days written notice to the Vendor if the Vendor becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the Vendor, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the RGUKT.

I.30 Termination for convenience

1. RGUKT, may at any time by giving 30 days written notice to the Vendor, terminate the Contract, in whole or in part, for its convenience. The notice of termination shall specify that termination is for the RGUKT/ Purchaser's convenience, the extent to which

performance of the Vendor under the Contract its terminated, and the date upon which such termination becomes effective.

2. The goods that are completed and ready for shipment within thirty(30) days after the vendor's receipt of notice of termination shall be accepted by the RGUKT at the contract terms and prices. For the remaining Goods, the RGUKT may elect to have any portion completed and delivered at the contract terms and prices at its discretion.

I.31 Resolution of disputes

1. The RGUKT and the Vendor shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with contract.
2. If, after thirty (30) days from the commencement of such informal negotiations, the RGUKT and the Vendor have been unable to resolve amicably a contract dispute, either party may require that the dispute be referred for resolution to the formal mechanisms specified here in. These mechanisms may include, but are not restricted to, conciliation mediated by a third party.
3. The dispute resolution mechanism shall be as follows:
4. In case of a dispute or difference arising between the RGUKT and the Vendor relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Arbitration and Conciliation Act, of India, 1996.

I.32. Governing Language

The Contract shall be written in English or Telugu. All correspondence and other documents pertaining to the contract which are exchanged by the parties shall be written in same languages.

I.33. Applicable law

The contract shall be interpreted in accordance with appropriate Indian laws.

I.34 Notices

1. Any notice given by one party to the other pursuant to this contract shall be sent to the other party in writing or by telex, email, cable or facsimile and confirmed in writing to the other party's address.
2. A notice shall be effective when delivered or tendered to other party whichever is earlier.

I.35. taxes and duties

The vendor shall be entirely responsible for all taxes, Duties, license fee Control, road permits etc. incurred until delivery of the contracted Goods/services at the site of the user or as per the terms of tender document if specifically mentioned.

I.36 Licensing Considerations

The software mentioned in the Schedules or Requirement will be used throughout Telangana or user's sites even outside Telangana.

I.37 Protection against damages – site conditions:

1. The system shall not be prone to damage during power failures and trip outs. The normal voltage and frequency conditions available at site are as under
 - a. Voltage 230 Volts.
 - b. Frequency 50Hz.
2. However, locations may suffer from low voltage conditions with voltage dropping to as low as 160 volts and high voltage conditions with voltage going as high as 220+20% volts. The relative humidity may range in between 5% to 95%.
3. The goods supplied under the contract should provide protection against damage under above conditions.

I.38 Fail-safe procedure

The vendor should indicate in detail fail-safe procedure (s) for the following:

1. Power failure
2. Voltage variation
3. Frequency variation

I.39 Training:

For each hardware and software component installed, the Vendor may be required to train the designated RGUKT and user personnel free of cost to enable them to effectively operate the total system. The training, if required, shall be given specified in the SCC at the locations specified. The training schedule will be agreed to by both parties during the performance of the Contract.

I.40 Site Preparation and Installation:

The Purchaser is solely responsible for the construction of the installation sites except where it is specifically required under bid document. The bidder will designate to perform a site inspection to verify the appropriateness of the sites before the installation of every hardware related them.
