WELCOME TO RGUKT BASAR

Rajiv Gandhi University of Knowledge Technologies (RGUKT) Basar is a unique university which actively uses Information and Communication Technology (ICT). It is perhaps the first of its kind in the country with an educational model that is intensely ICT based. The campus is set in about 272 acres of salubrious and serene surrounding just a short distance from the banks of river Godavari and Goddess Saraswathi temple. The University provides a six year intergrated B.Tech. curriculum for rural meritorious youth an makes them industry ready professionals.

THE VISION

Rajiv Gandhi University of Knowledge Technologies (RGUKT), Basar, shall strive towards becoming a World Class Institution with the vision of transforming meritorious rural youth into professionals equipped with high level of technical knowledge, skills, ethics, social, economic and environmental awareness and values. The University shall be a valuable contributor to the industry, R&D and technical education by providing quality manpower through excellence in teaching, research, consultancy, continuing education and outreach programs.

THE MISSION

To create Knowledge Hub for producing qualified manpower possessing industry-ready skills and qualifications in different branches of Engineering.

To develop the Institution into a highly research-centric and knowledge acquisition and dissemination centre.

To forge productive collaborations between Industry, R&D Institutions and RGUKT that will be beneficial for all stake holders.

To promote and propagate innovative teaching and learning programs and create specialized centres of Learning/ Training that will participate in sharing of intellectual resources and academic facilities with other institutions.

To encourage a holistic development of students by creating world class laboratories, extra and co-curricular activities to build character, confidence, team spirit, communication skills, socio-economic and environmental awareness.

Cultivating minds, nurturing hearts, and inspiring futures.

HISTORY OF RGUKT

01 Inception

Rajiv Gandhi University of Knowledge Technologies (RGUKT) Basar was Established in 2008 and situated in the picturesque state of Telangana, India, that embodies a visionary mission. This institution was pioneered with a noble purpose to break down the barriers of knowledge access in the entire state.

02 E - Classrooms

The University's aim was driven by the vision to bridge the digital divide in rural areas by offering world-class education to talented students from economically disadvantaged backgrounds. RGUKT Basar has risen to prominence as an institution distinguished for its demanding six-year integrated B.Tech academic program.

03 Suburban

RGUKT Basar shines as a symbol of opportunity, empowering talented students hailing from underprivileged backgrounds through its provision of world-class education in the fields of science and technology. Nestled amidst lush surroundings and guided by a transformative ethos, RGUKT Basar isn't merely a university; it serves as a gateway to a brighter and more promising future.
